After four years there must be something worth remembering.

Times when

they tried to teach us

in spite of ourselves.

Time spent working for causes

and having so much to say . . .

. . . but no one to listen.

Maybe the best part to remember is just

the times

we spent

together.

Since after four years there must be something

worth remembering.

The desire to succeed is not enough.

Ultimate success only follows

difficult training . . .

... long, lonely runs down the Memorial corridors ...

... patterns of motion for silent bleachers.

Sometimes the desire that evokes the effort is forgotten in the tedious hours of practice.

But moments of near perfection . . .

.. the correct results in a silver nitrate-copper reaction . . .

... the melodic line for a solo clarinet ...

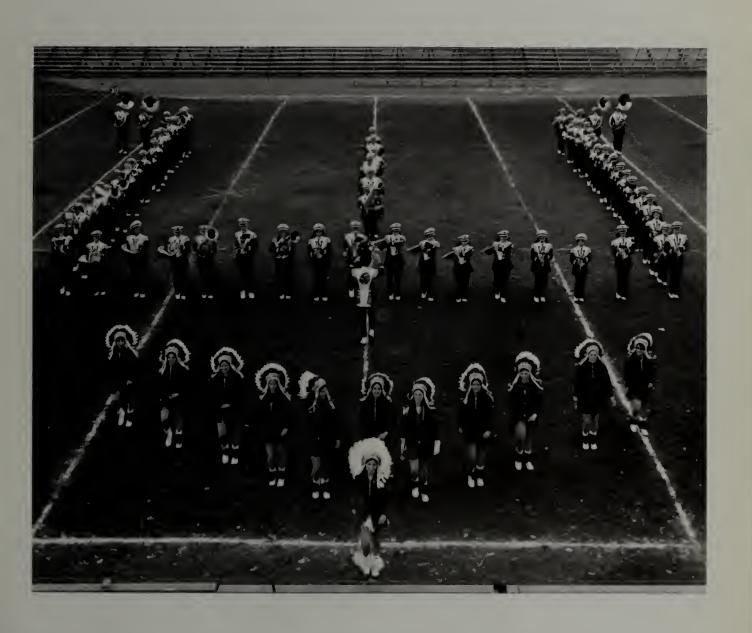

. . . renew the initial enthusiasm.

And the rigid self-discipline and the concentrated efforts are rewarded in the moment of achievement.

Sometimes we compete with words . . .

. . . and often with physical strength.

Competition against strangers is demanding . . .

but competition against ourselves is often more painful.

Competition—the word flashes to our minds a thousand pictures of determined moments . . .

... moments of stamina and drive requiring all our strength and energy.

The face of encouragement is varied . . .

. . . the anxiety of a coach

... the involvement of a teammate

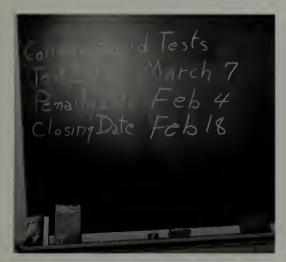

... the support of a poster.

Often we compete without knowing our competitors.

Many times we are distant from them . . .

... a word is our opponent ...

... other students—college and job applicants—are our competitors.

But sometimes we are frighteningly face to face against them.

Often the desire to succeed arouses feelings of determination that overcome the fear of losing.

And when that determination results in success . . .

. . . a sense of accomplishment is the most meaningful reward.

Faith and support besides work and skill are necessary for ultimate success.

The support of the individual as well as the crowd is important.

a fan's shout,

We find reassurance in

a teammate's words,

a friend's presence.

We find strength in others.

We become a complete person only when we give something of ourselves to someone else...

selling books at the NHS book fair

helping at the library

building platforms for the Junior Prom

working at the Student Council car wash

preparing special projects

helping someone lose his problems in laughter

serving as captain.

Total dedication is conveyed not only through words,

but through silent expression of concern...

...and somehow success or failure loses importance because the effort is everything.

The bond of sharing is established by a sensing of similar emotions . . .

... joy at a Wakefield touchdown ...

... dejection at a Senior play rehearsal.

Shared experiences common desires and hopes are remembered in visions . . .

... of Saturday morning practices,

of Chemistry labs in 117,

of the Thanksgiving Day Rally,

of the masquerade as Indians . . .

... the anxiety before the start of a race,

the excitement of "The Horse",

Moments such as these will last longer in our memories than the books, the blackboards, and the papers.

the satisfaction with a rocking chair.

With friendship comes a mutual respect that makes possible the complete freedom to express our thoughts and feelings . . .

... whether it be a discussion in homeroom ...

... or heated advice ...

... and the recognition and acceptance of the individuality of each person.

because a look . . .

a word . . .

But above all, friendship brings a special understanding that requires no explanation . . .

. . . or a touch

. . expresses everything.

At times a scene provokes an expression.

A smile becomes . . .

. . . an ad for the senior play

. . a response to a friend's remark

... support for a team.

A look reveals . . .

a director's search for improvement,

a runner's determination,

an individual's introspection.

When we know our emotions well enough, we can create a scene to express them to the fullest.

A football rally

and a chemistry room provide an opportunity for expression.

GO WAKEFIELD Hey Melrose Good-Bye

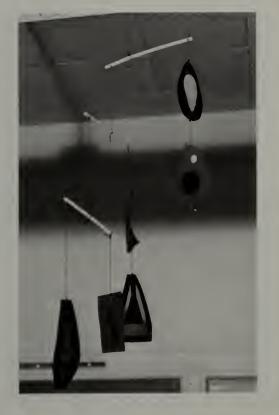

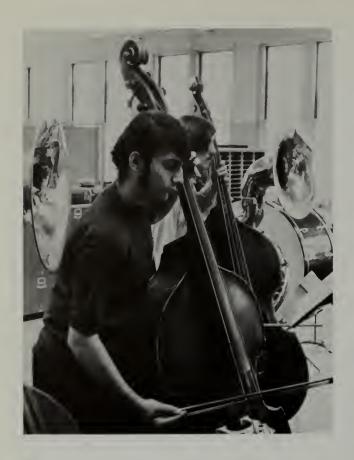

There are those who cannot resist the temptation to capture their thoughts in writing . . .

... but for others
there is the need to preserve
their emotions
in a more lasting medium.

And that which we call creativity is actually the refinement of an emotion...

. . .into an art.

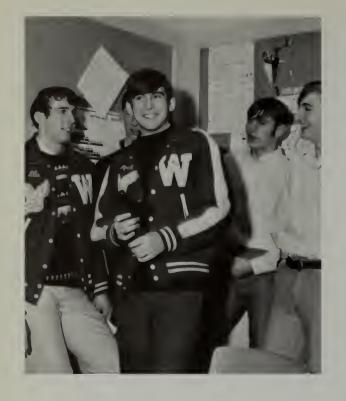

Communication is an expression of our ideas and emotions . . . it can be as loud as a shout— or as quiet as a look.

Smiles can speak when they represent a complete communication of emotions.

Communication is natural among members of a team . . .

. . . and spontaneous among friends.

The clamor of common joy

is balanced by silent moments.

And words are not needed to communicate individuality . . .

the loneliness of a long distance runner...

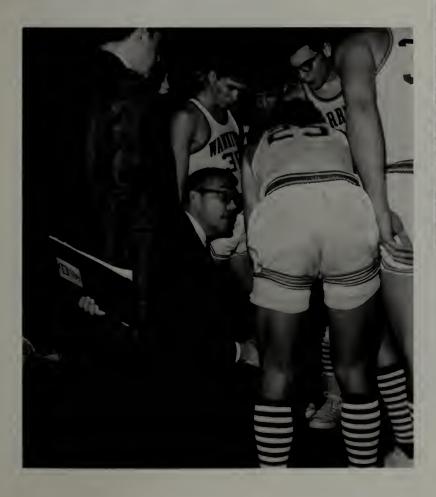

... the nonconformity of a helmet on top of a locker.

... the strategy for a desperation fourth down play.

Communication not only expresses emotions, but conveys knowledge.

And through knowledge comes a sense of involvement . . .

. . from the school newspaper

... and even from the explanation of an endothermic reaction.

Communication for us is noisy, silent, intelligent, and involved.

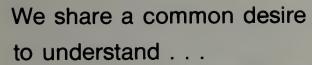

We reach out for others knowing that communication is the beginning of understanding.

to be understood . . .

. . . by students

. . . fans

... friends.

And our understanding is increased through . . .

. . N.H.S. tutoring

... an A.F.S. reception

... the guidance of a teacher

... the words of a friend.

New concepts and new skills make us more sensitive to the world . . .

.. the goals we must set

. . the choices we must make

. . . the limits we must face.

The value of understanding is realized in . . .

. . . grasping an idea

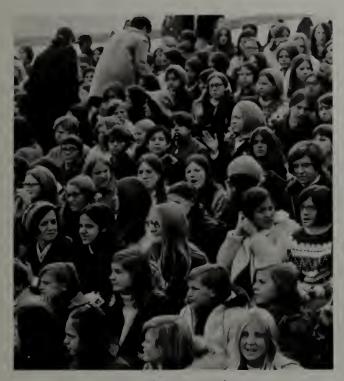

... accepting a challenge

a goal.

Here, we have just begun to come to an understanding of the complexities of our world . . .

... the people

. . . the emotions

. . . the ideas

... and ourselves.

CROSS COUNTRY

The Wakefield High School cross country team, under the expert coaching of John DiComandrea, had another remarkable season. The team was led by co-captains Kevin Beasley and J. Mark Hamer to an unblemished record of 9 wins and no losses. This record continued the Harriers' unbelievable total record, which now stands at 46 consecutive wins in dual meet competition. The efforts of seniors Don Day, Brian Beasley, and the two co-cap-

tains, combined with those of underclassmen Tom Morse, Shaun Beasley, Joey Maher, Neil Lipson, Scott Hamer, Alan Davis, and Tom Hegarty made victory a reality. Considering the experience and ability of the runners who will return next year, it looks as though Mr. DiComandrea will be able to continue the Wakefield reign over the Middlesex League.

FIELD HOCKEY

Determination and teamwork were the keys to the success of the 1969 field hockey squad. The invaluable coaching of Miss Deal and Miss Ekborg guided the team to a 7-3-1 season. The only losses were to Swampscott, Woburn, and Melrose-three very strong teams. The season was highlighted by hard-fought wins over Stoneham, Lynnfield, and Beverly. The offense was led by center Elaine Colokathis and inner Susan Kelleher, who scored a majority of the team's twenty-three goals. The defense allowed only 8 points, through the strong efforts of co-captain Debbie Meeken, veteran Barbie Chesley, and goalie Anne Chitty. Though the team will be losing

many valuable seniors,—co-captain Becky Koulouris, halfbacks Fern Miller and Cheryl "Chickie" Powell, and wing Anne Allman,—there are several returning starters including wing Linda "Idol" Salvati, a great asset to the team, and half-back Laurie Martin. The junior varsity will also be contributing such players as Maureen "Beanie" Mitchell, Meg Mazzone, Lynne Brown, Carolyn "Carn" Lapham, and Mary Jo Grasso to the 1970 squad. Above all, it was spirit and a joyous sense of unity which always led the girls field hockey team during its tremendously successful season.

FOOTBALL

The Wakefield High School football team completed one of its best seasons under the direction of coach Wilbur Halliday. The Warriors were not rated too highly by the "experts" in the pre-season polls, but they truly astounded them by outplaying and out-classing their first four opponents, which included an opening victory over arch-rival Reading by a score of 21 to 14. A key part of the Warrior machine was a strong defensive unit led by seniors Steve Bugli, Dan Donahue, and co-captain Dave Lapham. But most of the pressure was provided by the offense. The three returning starters, signal caller John Roberto, slot back Dave Keough, and end Steve Canty, were aided by a strong group of juniors; they compiled 139 points over the first seven games, which catapulted them into a first place tie with a strong Winchester contingent. But the hope of a Middlesex League Championship vanished when the football Warriors lost the final two games to league champs Winchester and runner-up Melrose on Thanksgiving Day. Despite these two disappointments, the Warriors' fine 5 and 2 record earned them a well deserved third place finish.

SOCCER

"A hard working and determined group" were the words used by coach Dick Kelly to describe his 1969 soccer team. Although their record was 3-6-2, each member of the squad gave one hundred percent effort every time he entered the field. Among the starting seniors were tri-captains Chuck Doherty, Jack Schmidgall, and Bob Struzzierio. Other seniors included Mike Alleca, Dave Daly, Steve De-

Garavilla, Jack LeFave, Rick Martino, Mike Murphy, Joe Regan, and John Scione. Highlight of the season was a 2 to 1 win over a tough Melrose club. A promising team is expected next year as several talented juniors, including Sammy Blais, Bill Boodry, Joe D'Allesandro, Paul Gargano, Steve Marshall, John Riley, and Pat Turner will be returning.

INDOOR TRACK

The indoor track team, coached by Jim Duff, had another outstanding season this year as they came up with a final 7-1-0 record, only losing to Lexington by one point to decide the Middlesex League championship. Cocaptains Don Day and Bob Greene did a fine job of leading their fellow trackmen to a successful season. Seniors Brian Beasley, Kevin Beasley, Steve Bulgi, Mark Hamer, Steve Walsh, Rich Stowers, Jim Calore, Larry Richer, and Steve Terry put out a one hundred percent effort as they helped the underclassmen and led the team.

BOYS' BASKETBALL

Although this year's Warrior basketball team did not have a good season, the team's record does not even begin to tell the story: the Warrior club twice was leading the league champion, Lexington, entering the final quarter, only to lose. They were leading Woburn by nine points with only two minutes left, and they were leading in both games with Reading with only minutes left; these were difficult losses. Still, opposing coaches generally regarded the Warrior team as the fourth best team in the league.

Leading this year's team were co-captains Dave Lapham and John Moses, along with seniors Bob Raffael, Joe Reagan, Kevin Meade, Chuck Doherty, Dan Donahue, Rick Cotter, and Jim Folger. However, next year, Coach Kevin Thomas will be awaiting the return of a host of underclassmen with Varsity experience. Among them will be Dave Robbins, who is regarded as one of the best guards in the State.

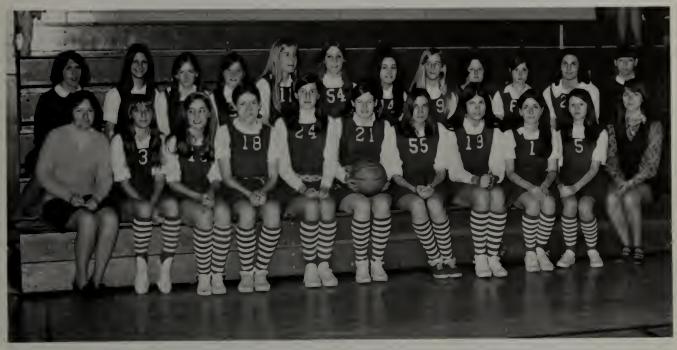

Row I: R. Rodriegez, D. Donahue, D. Lapham, J. Reagan, coach Thomas. Row II: R. Cotter, D. Robins, R. Dawson, K. Meade, J. Folger, B. Raffael.

GIRLS' BASKETBALL

With only one returning Varsity player and no seniors, the Girls' Basketball team proved their determination: they bettered their previous year's record by adding three wins, and finished with a final 3-9 record. Several of the nine losses were close games with exciting finishes. Coach Patricia Deal directed the team and was very pleased with the girls' efforts. Rebound strength was provided by Mal Cole, Lynn Brown, and Meg Mazzone while sophomores Elaine Colokathis, high scorer, Jean Mulhern, Laurie Martin, and Mari Anne Rosati took care of the club's scoring. Forwards Diane Goldie and team captain Carolyn Cronin provided the extra boost that made their season successful. With all of the members available for next year's team, Wakefield should be outstanding.

BOYS' GYMNASTICS

The Wakefield Warrior gymnastic team had the most outstanding season ever in its ten years of existence. Under the efficient coaching of Bob Bisacre, co-captains Ron McCauley and Cliff Chapman led their fellow gymnasts to a strong 9 and 2 record, losing only to Andover and Lexington. The gymnasts' steady improvement during the season resulted in an invitation to the State Gymnastics Team Meet, a feat that has never been accomplished before. After the State Meet, the Wakefield Gymnastic Team was ranked as the sixth best team in the state of Massachusetts. Seniors Ron McCauley, Alan Muise, and Cliff Chapman also qualified for the State Individual Meet. These three, plus Dave Kelley, Rick "Stymie" Martino, and Dave Daly were the seniors who made up the nucleus of the team. Senior Mike Murphy, was the first alternate and often provided the morale boost that led the team to its nine victories.

GIRLS' GYMNASTICS

This was the first year for the W.H.S. girls gymnastic team, and, although not a varsity sport, the team took part in several informal meets involving experienced teams from Concord and Woburn. Under the expert coaching of Jr. High instructor, Miss Jean Nichols, the girls competed in all areas of gymnastics including floor exercise, balance beam, uneven parallel bars, and side horse vaulting. Seniors on the team were Lois Seibert, Susan Howe and Alison Climo.

With the help of many underclassmen, including Nancy Carter, Mary Doherty, Donna Giuffre, Nancy LaSpina, Janice Puglia, Judy Devine, Kathy Queeny and Suzanne Rivard the future W.H.S. girls gymnastic team should be a successful varsity sport.

Row I: Judy Devine, Nancy LaSpina, Lois Seibert, Suzanne Rivard, Kathy Queeney. Row II: Janice Puglia, Nancy Carder, Mary Doherty, Donna Jefferies, Alison Climo, Susan Howe, Coach Jean Nichols.

HOCKEY

This year, the fans of the Middlesex Hockey League viewed one of the most exciting title races in its history. Among the top teams was the fast skating Warrior club that compiled an impressive 12-3-3 record while earning a tie for second place. The Warrior ice-men showed their upper hand early in the season when they defeated a number of strong teams. Coach Tom Humphreys had the team skating hard early in the season, and the squad never let up throughout. This payed off when they tied Melrose in the final five seconds of their last game. Among the seniors whose leadership helped produce a successful season were captain Dave Keough, Bob Struzzerio, Jack Roberto, Dave Comeford, and Steve "Critter" Cotty. Underclassmen who contributed include league high scorer Bob McMenimen, Steve Purrington, John Riley, Rick Norton, Rick Chapman, Kenny Melonson, and Rich Gallugi. Because of the team's hard and unending work, they qualified for the State Hockey Tournament.

WRESTLING

The Warrior Wrestling team made a fine showing this year as they compiled a season record of six wins and six losses. Under the coaching of first year coach Steven Richardson, the wrestling squad came up with more wins this year than in the previous three years combined. Tri-captains Jim Cass, Dave Sherra, and George Snow led their fellow wrestlers to victory in many meets, including a 30 to 23 win over a strong Malden club. An even stronger team is looked forward to next year because such outstanding members as Peter Dawson, Phil Buckley, Al Generazzo, Ray Bohgus, and Arthur Penerian will return for varsity competition.

CLASS HISTORY

FRESHMAN YEAR

In September of 1966 we entered Wakefield High School to begin our four long years of study. During the first few days, confusion reigned. The changing of classes, the different blocks, and the complicated lunch periods—all added to our confusion.

A welcome addition to our student body was our foreign exchange student, Miss Brenda Payne of Rhodesia.

The cross-country team, unbeaten in league competition, took second in the Class B State Meet.

Many students participated in the musical and dramatic programs at W.H.S. The different choral groups, the band, and the orchestras staged many fine performances. These talented students were bestowed with many honors, especially Ann Batchelder who was selected as a second violin in the District Orchestra.

In the freshman winter sports scene the hockey and basketball squads both turned in winning seasons. The hockey team gave a fine account of themselves, shown by their two straight wins over Lexington and Belmont. Unlike its varsity counterpart, the frosh basketball team had an impressive 9-3 record. Led by such stars as Dave Lapham, John Moses, and Joe Regan, the freshman hoopsters gave Coach Ed White one of his best seasons as a freshman coach.

Coach Bob Reen's last season as coach of the Warrior gymnastic team was a good one. The gymnasts, led by Billy McCauley, Jim Carisella, and freshman Ron McCauley, compiled a 6-4 record, a fitting gift to the departing coach.

A special mention should also be given to the varsity hockey team. Compiling a 12-3-3 record, the Warriors placed second in the Middlesex League and won a berth in the State Hockey Tourney at Boston Arena.

The spring play, *The Crucible* by Arthur Miller, was a success, especially due to such performers as Paul Jackel, Joan DeGusto, and Russell Henderson. A very special honor was given to the Thespians—that of being winners of the State Drama Festival.

The spring sports were next to appear in the W.H.S. activities. The varsity baseball team, under the tutelage of Coach Bill Callagy, concluded its season with a 6-8 record. The freshman baseball team had a winning season, highlighted by a 10-6 victory over Melrose and a rare triple play against Winchester. There were many outstanding players including Bob Cox, Dave Keough, Dave Comeford, and John Moses.

The outdoor track team had another winning season under Coach James Duff. Outstanding stars such as Kevin Kelly, Ron Hadley, and Ken Doherty led the trackmen to an unbeaten season in league dual-meet competition, first in the State Class B Meet, and eighth in the All-State Meet.

So ended our first year at W.H.S. We left behind us fond memories of that year and looked ahead to the future and our sophomore year at Wakefield High.

SOPHOMORE YEAR

Our sophomore year began on September 6, 1967. As sophomores we lived a year of "not quiteness"—no longer freshmen, but not yet upperclassmen. Our class officers were Bobby Cox, President; Ellen Harrison, Vice-President; Mary Hubbard, Secretary; and Mike Murphy, Treasurer.

That fall W.H.S. launched D.E.C.A., the Distributive Education Course, under Mr. Frederick E. Rockett. This provided a cooperative learning program for those interested in business careers.

Our school was fortunate in hosting three foreign exchange students—Zerrin Maner of Turkey, Raphael Urquieta Mangiola of Chile, and Anne Campbell of Australia.

The sophomore class was well represented among the members of the fall sports teams. The football team had a rather disappointing season, 2-6-1, but it was one of training for sophomores Dave Lapham and Dave Keough.

The soccer team, sporting an overall record of 7-3-3, finished in second place, benefitting from the efforts of sophomores Jack Schmidgall, Kenny Cardillo, Bob Struzziero, Jon Landers, and Art Powell.

The cross-country runners, under Coach John DiComandrea, had another phenomenal season winning their 32nd consecutive dual meet victory and finishing on top for the third year. Sophomores Brian Beasley, Kevin Beasley, and Don Day were members of this undefeated team.

The Winter Concept was held on January 1 with Mr. Richard Laman directing the Concert Band, Mr. Jerry Boisen conducting the Orchestra, and Miss Catherine Nadon directing the Madrigal Singers, the Chorale, the Girls Choir, the Sophomore Girls Choir, and the Freshmen Chorus.

In January, classes were cancelled for two days following the general alarm fire which claimed the life of our pet cat, Fantasia.

Among the members of the winter sports teams were many sophomores. The basketball team, led by Coach Dellasanta, finished with a 9-8-0 record. Dave Lapham was a member of the squad. The junior varsity team, guided by Coach Dan Blanchard, finished the season with a 13-4 record, ben-

efitting from the efforts of many sophomore mem-

The girls' basketball team, under Coach Brenda DiPanfilo, sporting a 6-3-0 record, had the best season in the history of W.H.S. Sophomore members of the team included Cindy Lamy and Buffy Roberson. The hockey team, coached by Mr. Charlie Kirk, compiled a 6-5-5 record. Kenny Cardillo, Bob Cox, and Dave Keough were members of the team. The indoor track team won the Middlesex League title for the second consecutive year. Sophomores Brian Beasley and Kevin Beasley ran for the team. The gym team, under Coach Robert Bissacre, finished in second place with a 7-2-0 record. Sophomore gymnasts Cliff Chapman, Mike Murphy, Norman Bellevue, and Ron McCauley performed on the team. That year the wrestling team completed its first official dual meet season under Coach Ken Thompson.

On the evening of March 30, the most important social event of the year, our Sophomore Hop "Tahitian Sunset," was held. Mary Alice Doyle and Dave Keough were crowned Queen and King of the Hop.

In April the Thespians presented their spring production, George Bernard Shaw's comedy *Pygmalion*. Sophomore members of the cast included Russell Henderson, Paul Jackel, and Conrad Caracoglia.

On May 24, the Academic Awards Assembly recognizing scholastic achievement was held. Sophomore members of the Math Team recognized included Paul Jackel, Donna Erickson, Vincent Bonzagni, and Jane Winsor.

The spring sports teams included more sophomores than the fall teams. The outdoor track team had another successful season under Coach Jim Duff. The Wakefield team won both the Class B Championship and the Middlesex League Championship. Dave Lapham was a standout in the shot put. The baseball team, coached by Mr. Bill Callagy, included sophomores Bob Raphael and Dave Keough. Sophomore Joe Regan was a member of Coach Al Kodis' golf team. Under Coach Jane Randolph, the newly-organized girl's tennis team conducted its first season of play.

At the end of May, the tryouts for the W.H.S. Majorettes were held, and the selection of the '68-'69 squad members was made. Sophomores chosen included Helena Turco, Susan Lucey, Cheryl Lafond, Janice Troughton, and Jayne Davidson. At the end of May, selection of the W.H.S. Cheerleaders was made. Members of the Class of '70 chosen for the squad included Cindy Lamy, Cheryl Jacobs, Patty Cummings, and Mary Alice Doyle.

Thus the year of "in-betweeness" ended with the members of the sophomore class making many contributions in sports, scholastics, drama, and music.

JUNIOR YEAR

In September 1968, we entered Wakefield High School for what was to be one of the most exciting of all our twelve years. We, as juniors, realized a duty to set an example for the underclassmen and took this responsibility with ease. We had chosen those whom we thought best to lead us through that year: Dave Lapham, President; Jonathan Landers, Vice-President; Lois Seibert, Secretary; James Calore, Treasurer.

In sports, we proved that one did not have to be a senior to be a leader. Football, under the direction of Coach Wilbur (Whip) Halliday, gave us the opportunity to demonstrate our ability and proved to be good experience for those of us who went on to play in our senior year. Outstanding juniors in football were Jack Roberto, Dave Lapham, and Dave Keough. Our cross-country team, under the supervision of Coach John DiComandrea, had a fantastic year as it secured the Middlesex League Championship for the fourth time. Brian Beasley, Mark Hamer, and Kevin Beasley were juniors who helped to make the year a successful one. The same trio, under Coach Jim Duff, also starred on our indoor track team, which proved impressive as it ended with a 7-2 record.

Other teams were also busy during the year. We were proud of our gymnastic team, which, under the direction of Coach Bob Bisacre and with juniors Ron McCauley and Cliff Chapman, achieved a 7-3 record. The baseball Warrior nine ended with an impressive 8-1 record. Also outstanding in our junior year was the girls' tennis team, which, under the supervision of Miss Jane Randolph, ran off with an undefeated season. Included in this highly successful team were juniors Donna Erickson, Ann Batchelder, Alison Climo, Becky Koulouris, Anne Allman, Susan Howe, and Fern Miller. Not to go unmentioned are our cheerleaders who, besides cheering us on in every sport, came in fourth in the cheerleaders' competition.

Our junior year also proved to be a good year scholastically. Twenty-one juniors were inducted into the National Honor Society. Three juniors—Donna Erickson, Paul Jackel, and Steve Doherty—were selected by the American Legion to spend a week at Bridgewater State College and The University of Massachusetts to study state and federal government.

At a time when Wakefield seemed to be in a state of turmoil, we, as a student body, expressed our views on issues which concerned us and our future. We showed our parents and townspeople that we do indeed appreciate and are concerned with our education. As a result of our interest and involvement, a Student-Faculty Committee was formed to discuss and help bring about school improvements and a closer relationship between teacher and student. Many improvements were

proposed, the most important proposal carried through being the revised dress code.

A.F.S. was exceedingly active in our junior year. We hosted an exchange student, Marta Carot from Argentina. Two juniors, Marsha Venuti and Jonathan Landers, were chosen to be our representatives to foreign lands. Marsha spent one year in Selection Park Springs, South Africa, and Jonathan spent the summer in Bombay, India.

The Thespians presented "The Mousetrap" by Agatha Christie with junior actors Valeta Orlando, Paul Jackel, Russell Henderson, and Conrad Caracoglia. Our new drama coach, Mrs. Valentine, provided the Thespians with excellent direction.

The most memorable of our dances was our Junior Prom, "Collage," with Queen Sally Pelletier and King Chuck Doherty.

Our music department was particularly active. Nineteen vocal and instrumental musicians were selected for the chorus and orchestra of the highly successful "Greater Bostonians"; and Mr. Jerry Boisen and Mr. Richard E. Laman were chosen to direct. Twenty-four W.H.S. musicians successfully auditioned to participate in the District Concert, and thirteen were selected for the All-State Concert, a great honor for our school.

As our junior year drew to a close, we looked back on our past year with pride and looked on to our senior year with eager anticipation.

SENIOR YEAR

On September 3, 1969, the class of 1970 returned to Wakefield High for the final time. Under our class officers, David Lapham, President; Jonathan Landers, Vice-President; Mary Hubbard, Secretary; and Jim Calore, Treasurer; we began a year of many changes—among them a new dress code and overlapping sessions.

There was a warm welcome for "Puck" Sardella to the post of attendance officer, but a regretful good-bye to Mr. Kenney, who served for so many years. Also, Mr. Lally, our custodian, a familiar and friendly face to everyone, was soon to leave.

Two new members to our class for this year were Lene Hanson, our A.F.S. exchange student from Denmark, and Rotary exchange student Mary Sorenson from New Zealand.

The football team started the year off strongly with five consecutive league wins including victories over Concord (28-6) and Reading (21-14). Cocaptains Dave Lapham and Dave Keough, with Coach Whip Halliday, led the team to a final record of 6-3, and third place in the Middlesex League.

The Wakefield cheerleaders, headed by Mary Doyle, and the Majorettes, led by Jayne Davidson, deserve much praise for their fine performances not only at the games, but also at many memorable rallies. One of our greatest sources of pride this year was our band under the direction of Mr. Laman and drum major Tom Worthley; with their new

uniforms and excellent presentations, they were undoubtedly the best to be found. The games were great and the Wakefield Warrior "sit-upon," which came into being this year, often came in handy on those cold Saturdays.

In other sports, Wakefield also fared well. Hockey had a very strong year under captain Dave Keough, finishing with a 5-2 win over Melrose; and basketball, with co-captains Dave Lapham and John Moses, supplied the fans with many exciting games. The track teams, as usual, had a fantastic year. Especially notable were Bob Greene and Don Day, co-captains of cross-country. The girls should not be forgotten when it comes to the sports scene. Their field hockey team, led by co-captains Becky Koulouris and Debby Meeken, finished with an excellent 7-3-1 record.

Early in the year, four of our seniors, Ann Batchelder, Vincent Bonzagni, Lindsay Cook, and Paul Jackel, were honored as semi-finalists in the National Merit Scholarship Test, a high academic achievement. Later eight more received certificates of commendation for their high scores on this test. In October, the National Honor Society inducted twenty new members, and membership in this group from our class rose to forty-one.

Throughout the year other seniors received various awards. Dave Lapham was elected as our representative for Student Government Day in Boston, and Mary Hubbard was the recipient of the D.A.R. award. At the winter sports assembly, Jackie Roberto was presented with the Minahan Trophy, and Ken Melonson received the Most Valuable Player award.

Our Senior Play, *Enter Laughing*, was presented in December and was declared a great success by all. The cast, under the direction of Mrs. Deborah Bach and Miss Cheryl Dubois, was both comical and professional. More senior talent was displayed in the annual Winter and Spring Concerts put on by the choruses under Miss Eleanor Babikian, the band directed by Mr. Laman, and the orchestra led by Mr. Boisen. In the Spring the Thespians presented one of their best productions, *The Little Foxes*.

Anxious preparations for graduation were preceded by many senior activities: the Senior Prom was held at Montvale Plaza, yearbooks were delivered, there was the traditional Senior Breakfast, and, of course, Class Day. Whatever our memories of Wakefield High—be they football games, supplementaries, or cafeteria lunches—it is with some regret that we leave. These four years have been ones of great opportunity, achievement and preparation for whatever our future may bring.
